Weather at Covenant Harbor:

Our weather varies throughout the day with cool mornings and hot mid-days and afternoons. Weather also depends on the week your child attends camp. Layers that can be added or subtracted work well. We do have occasional rain; an extra pair of shoes might be nice in case the first get soaked.

Clothing Choices:

Please do not bring your best clothes to camp, things may get dirty, stained, or lost. We desire for all campers to feel comfortable while they are at camp. For that reason, we ask that campers and our staff dress modestly. If an item of clothing is too revealing, we will ask the camper to change. Our adventure activities (climbing tower with zip line, indoor wall, giant swing, etc.) requires closed toe shoes and longer shorts or pants.

What Not to Bring:

In order to create a safe, fun environment and new opportunities for campers, there are several things campers cannot bring to Covenant Harbor. Campers aren't allowed to bring cell phones or any electronic devices including media players, iPods/mp3 players, handheld electronic games, etc. Campers are also not allowed to bring personal sports equipment, pets, firearms, weapons of any kind, fireworks, tobacco, alcohol or drugs. If any electronic device is found, the staff member will confiscate it and return it to a parent at check out. Campers bringing firearms, drugs, etc. will be subject to immediate dismissal.

Lost and Found:

Covenant Harbor is not responsible for lost or stolen belongings. At Check-out, lost and found items are brought to a designated area. Once an item is discovered as "missing", please talk to a staff member while you are here, or call the office M-F, 8-5. Items can be mailed, but we ask for shipping reimbursement. At the end of the summer season, unclaimed items are donated to charity. For health reasons, socks and underwear will be thrown out.

Snacks:

Campers are served a snack and lunch each day. Campers also have access to the Canteen (snack shop) each afternoon. We discourage campers from bringing other snacks. Due to the prevalence of severe allergies, please refrain from bringing any nut products to camp.

We look forward to this summer!!
