

Antwan Williams was an early recipient of a GOLF for kids scholarship as a youth camper at Covenant Harbor. While studying architectural engineering at Purdue University, Antwan chose to spend his summers serving on summer staff at Covenant Harbor. During several formative summers, he sensed a call to pursue ministry and attended Covenant Bible College. Shortly after graduation in 2006, Antwan passed away at age 22 as a result of injuries sustained in an automobile accident. In an email to the Covenant Harbor staff the week prior to his unexpected death, Antwan noted, "I truly appreciate all of you for all that

you have done for me. This goes to show that the scholarship money that I received as a kid, those summers of coming to camp, showed me the love of Christ more than words could have. Your investment in my life has been part of shaping my life." Antwan's legacy lives on at Covenant Harbor through scholarship support available for campers as a result of our annual GOLF for kids event. Join us on September 9, 2019 at Hawk's View Golf Club in Lake Geneva to honor Antwan Williams. Please consider supporting GOLF for kids with a scholarship opportunity below. Your generosity will positively shape a young life, forever.
