HEALTH SCREENINGS

Before Family Getaway you will be asked to complete **individual health forms** as well as a family health form closer to arrival.

100.2

Upon arrival, or at any point during the week, if a participant has a temp above 100.2, they cannot stay.

HOUSING

Should be shared by families or by same gender groups of friends.

*Any participants under 18 must be accompanied by a parent/guardian or another adult who is responsible for their care for the entirety of their stay.

- If there is another family you would like to share a building with, please let us know so we can give you and your friends the cabin space that works best.
- Your specific cabin assignment will be sent in the week out confirmation.
- Not all cabins are air conditioned, so we recommend a personal fan.

Cabins

Refers to a bunk room and private bathroom. All beds in cabins are twin bunks with 8-12 beds each.

Bedding and Towels

Neither are provided and not available to rent or purchase.

Food and Snacks

You may bring your own but we are nut free. You may rent a mini-fridge for \$40 (while supplies last) or bring your own.
