Antwan Williams Memorial **GOLF** for kids™

ANTWAN WILLIAMS was an early recipient of a **GOLF for kids** scholarship as a youth camper at **Covenant Harbor**. While studying architectural engineering at Purdue

University, Antwan spent his summers on summer staff at Covenant Harbor. During those summers, he sensed a call to ministry and attended Covenant Bible College. Shortly after his graduation in 2006, Antwan passed away at age 22 as a result of injuries sustained in an automobile accident. In an email to the Covenant Harbor staff the week prior to

his unexpected death, Antwan said, "I truly appreciate all you have done for me. The scholarship money I received as a kid and those summers coming to camp showed me the love of Christ more than words could have. Your investment in me has been part of shaping my life." Antwan's legacy lives on through scholarship support generated by Covenant Harbor's **GOLF for kids** event. Join us Sept. 20, 2021 at Hawk's View Golf Club in Lake Geneva to honor Antwan. Your support of **GOLF for kids** through a sponsorship opportunity will positively shape a young life in ways we cannot imagine.
