## SUMMER CAMP AT COVENANT HARBOR

Camp is where kids step away from their daily routines. At Covenant Harbor, we focus on community building through games, activities and our Bible program. Campers have the opportunity to hone new skills, learn about Jesus, gain independence and push the boundaries of confidence.

Our mission is to love kids and share Jesus. Relationships and community are at the heart of that. We want campers to know they are wonderfully created and deeply cared for by God. Helping kids step away from their routines and enter into creation provides opportunities to ask big questions like, "Who is God?" and "How can I be closer with Jesus?" Camp is designed for all campers to take a step, some for the first time, toward Christ and his great love for them.

At the end of each week, kids go home encouraged and filled with joy. Countless campers report how they have grown as individuals during their time at camp, tried something new and practiced skills like building friendships with their cabin mates.

We look forward to welcoming you this summer!

"I learned that God is present."

"My favorite part of the week was being able to get over my fears."  
- Summer Camper

## Alpha (Age 15+)

Alpha campers make camp possible and are a huge part of shaping campers' lives during the summer. This is a discipleship and service-based program. Not only do Alpha campers earn volunteer hours, but the longer session of camp allows for deeper, more meaningful relationships to be formed with each other and staff. This experience also includes all the known and loved classic camp elements. What makes Alpha unique is each camper's opportunity to walk deeper in faith and community, and to navigate their own personal relationship with the Lord.

"Our family sings prayers from Covenant Harbor at dinner time."  
- Camper Mom

## Day Camp (1st-6th)

With a day packed full of age-specific activities, your camper will have endless opportunities to try new things, experience camp favorites, sing songs and learn Bible stories. Come for one week or every week - there is always something new to do!

## Kish (2nd-4th)

Set apart from the main camp, the Kishwauketoe program is a community based, first time camping adventure. Our youngest overnight campers grow in confidence and independence. They spend hours playing games, creating classic crafts, swimming, making s'mores and learning about Jesus.

## Pier 30 (4th-9th)

Whether it's their first time or third time coming to camp, 4th-9th graders engage in classic camp activities that are high energy and uniquely geared to their age group with specialized skills. Through meaningful worship, the Pier 30 program dives deep to help campers understand who God is and how much he loves them.

"Camp was amazing!"
