Packing Tips

- Label your items.
- Make sure to bring at least one set of clothes that could get dirty or messy.
- Our adventure activities (such as climbing tower, zipline, giant swing, indoor wall, etc.) require closed-toed shoes and longer shorts or pants.
- Most of the events, workshops, meals, and activities will be outdoors. Be sure to bring layers to combat any chillier weather.

Lost and Found

Covenant Harbor is not responsible for lost or stolen belongings. Throughout the weekend, lost and found items are brought to a designated area. If one of your items is missing, contact our office. Items can be returned via mail (we require shipping reimbursement). For health reasons, socks, underwear, toothbrushes, used soap, etc. will be thrown out.
