Clothing at Camp

- Clothing choices should not make anyone else feel excluded or uncomfortable. With the desire for all campers to feel comfortable, a camper whose attire does not follow these parameters will be asked to change. Please monitor your camper's packing to align with the following:
 - No clothing with logos that reference violence, sex, drugs, tobacco or alcohol. Logos, slogans and statements should not be divisive.
 - Camp is very active and often kids play hard and get messy. We recommend athletic shorts, t-shirts, and gym shoes as perfect camp wear! Clothing should be comfortable and allow campers to run and play in. Clothing should always cover private areas and undergarments.
 - Appropriate swimsuits, that cover all private areas, must be worn at camp. Due to the high energy activities at the waterfront (i.e. tubing, banana boating, water trampolines) one piece swimsuits are recommended for girls and swim trunks for boys.

Packing Tips

- Label your items. Please write your camper's first and last name where possible.
- Pack with your camper. Help them know what they have, what they can wear and what they need to bring home.
- Kids play hard at camp. Only send things to camp that you do not mind getting dirty, stained or possibly lost.
- Adventure activities (such as climbing tower, zip line, giant swing, indoor wall, big games, etc.) require gym shoes that are closed-toed and longer shorts or pants. Crocs are not appropriate closed-toed shoes for adventure activities.
- A pillow and sleeping bag are great options for campers. Cabins have air conditioning and maintain a consistent temperature throughout the week. All cabins have twin bunk beds. If you are planning to send a fitted sheet with your camper, please make sure it is a standard twin sheet.
